

JOSEPH KAGIMU

PROFILE :

Am a software developer with super skills in Web designing , owning skills in programming languages such as Javascript, CSS, React, HTML and I love Using some libraries such as Bootstrap, material-UI, Figma, most especially Carbon-design-system.

Nationality: Ugandan, **Location:** Kampala, **Phone no:** +256754151093, **Email:** kagimujoseph00@gmail.com

PROFESSIONAL :

Ambitious React Developer versed in the following established procedures and

Working under little or no supervision.

Offering technical expertise in programming analysis, application analysis and

Design. Having excellent skills in open source (able to work with other team

members on a particular task)

WORK HISTORY :

| | |
|--|--|
| Senior Photoshop Designer 2017-2018 | Worked and designed various features using photoshop which empowered me in designing and art-work. |
| Senior CSS HTML Javascript Developer 2018-2019 + | Created super and responsive Web designs using these skills which granted me ability to create responsive websites . |

| | |
|---|--|
| Senior React Developer 2019-2022 | This is where I started working on large projects and got more experience in Javascript , I gained more terminal and git commands , I became more experienced in GitHub and Open-source software |
| Senior when using Libraries <u>eg</u> : Carbon-design-system , material-UI, Figma, bootstrap. | Using such libraries made work easy, simplifying work from long-time to short-time which saves time <u>ie</u> : I always finish work on time . |

SKILLS :

- **React.js**,
- **CSS**,
- **HTML**,
- **Javascript** ,
- **bootstrap**,
- **carbon-design-system**,
- **Figma** ,
- **material-UI** ,
- **Photoshop** .

ADDITIONAL SKILLS :

1. An expert in **photo shooting, editing**, and **printing** with maximum skills in designing using photoshop .
2. Professional **Business card maker** having lots of designs .
3. Advanced **Logo maker** with high thinking capacity of providing new designs .

Thanks for loving me !
